

One Of Those Days

Hart/Byrd/Barton/Lockwood

Woke up to the pouring rain
Stumbled out of bed with half a brain
Twenty minutes late for work again
But it's alright, it's alright

No time for coffee, gotta hit the door
Grab a shirt from off the floor
Never noticed it was stained before
But it's alright, it's alright

Oh, but nothing's gonna bring me down
No, not now

CHORUS

It's just one of those days
When everything's right
God is in His heaven and I'm walking in the light
So hallelujah anyway
It's just one of those days
You look at the sky
Throw your hands up and you laugh at life
So hallelujah, Lord be praised
It's just one of those days

The boss calls, yeah, I know I'm late
I had a flat on the interstate
Tell the man that he can wait
Don't get uptight, it's alright

Hold on, there's another call for me
No, I didn't buy a diamond ring
Somebody stole my identity
Hey it's alright, it's alright

Oh, but nothing's gonna lay me low
Cause I know

CHORUS

So come on rain, lightning strike
Just you try to shake my life
You got no power, you got no hold
Cause it is well with my soul

CHORUS
